

# CHEM-ACE® PROGRAMME

## MINERALS FOR LIFE SCIENCES

# CHEM-ACE® PROGRAMME

- A Unique & Comprehensive Data Base
- A Complete Compendium
- A Series of various trainings
- A Constant Market Update
- Regulatory Survey
- Sourcing
- Different Packages
  - CHEM-PLATINIUM
  - CHEM-GOLD
  - CHEM-SILVER

# CHEM-ACE® PROGRAMME

A Unique Data Base for the Main Minerals

- By manufacturer including Web link
- By application field
- By specifications
- By soluble / insoluble products
- Other Criteria on Request

# CHEM-ACE® PROGRAMME

A Complete Compendium on:

- Basic Chemistry by Metal
- The Metal Human Physiology
- The nutritional, pharmaceutical or biotech specifics
- The Different Metal Forms
- The Regulations in place
- The Market Trends
- Interesting links

# CHEM-ACE® PROGRAMME

A Series of various trainings

- Basic Chemical Mineral Training Programme
- Which Mineral for which Application?
- Selection Criteria & Bioavailability
- Organoleptic Aspects & Chemical Interactions
- Solubility and Particle Size
- Premixes, Tablets, Instant Drink, Sachets, Stick packs, Capsules, ...
- Iron as Particular Mineral
- Specifications, Monographs & Regulatory Aspects
- Sourcing
- Integrated Down Stream Marketing

# CHEM-ACE® PROGRAMME

## A Continue Market Update

- Food & Nutrition
- Pharmaceuticals and Biotechnologies
- Infant Food
- Others

# CHEM-ACE® PROGRAMME

## Regulatory Survey

- Food & Nutrition
- Pharmaceuticals and Biotechnologies
- Infant Food
- Others

# CHEM-ACE® PROGRAMME

A Comprehensive Sample Collection for

- Organoleptic tests
- Particle Size Comparison
- Quality issues
- Visual tests

# CHEM-ACE® PROGRAMME

Telephone & Email Consulting  
(Hot line)

- Product development stage
- Alternative sourcing
- Critical Issue

# CHEM-ACE® PROGRAMME

## On Site Technical Support

- Technical meeting
- Sales Team training or coaching
- Customized Service
- Others

# CHEM-ACE® PROGRAMME

## DIFFERENT PACKAGES

- CHEM-PLATINIUM
- **CHEM-GOLD**
- CHEM-SILVER
- CUSTOMIZED SOLUTIONS

**CHEM-ACE<sup>®</sup>**
